IMPORTANT : THIS IS A LEGAL DOCUMENT

Please read and understand this document before signing. If you have any questions please ask us or consult an attorney.

Virginia River Trips has done everything possible to assure our guests a rewarding experience. We wish to inform our guests that river running is not risk free. Unlike a theme park setting, your adventure will take place in a natural environment over which Virginia River Trips has no control. The same elements that contribute to the unique character of river running, such as constantly changing water levels, can cause loss or damage to equipment, personal injury, or in extreme cases, permanent trauma or death. We simply want you to know in advance what to expect, and to be informed of some of the possible risks. We ask that you read this, sign it, and return it to our office.

ACKNOWLEDGMENT OF RISK

As a participant, you will be totally responsible for your own movement and safety while on the river. Due to the inherent nature of the sport, you will be primarily responsible for your own rescues.

Although accidents are rare, injury may be sustained by (but not limited to) walking or climbing along the river bank, diving or jumping into the river, getting into or out of the watercraft, falling out of the watercraft becoming entangled in or pinned against rocks, branches, logs, down trees, or low water bridges. Of course drowning is always a possibility when around water.

Heat-sunburn, wind rain, lightning, or being in the open for extended periods may be uncomfortable or cause injury. Also, certain plants, insects, or animals may cause discomfort or injury. It is possible that some participants would suffer mental anguish or trauma from the experience of their injuries.

I certify my family, including my minor children and myself are in good physical condition and are fully capable of participating in this trip. Therefore, I assume full responsibility for myself and my family including my minor children.

I agree that the site of any lawsuit shall be Clarke County, Virginia, and governed by Virginia law. The terms of this agreement shall remain in effect after the river activity has ended. If any part of this agreement is found to be invalid, the remainder of the agreement shall remain in effect.
